the\_adaa In "Reverie," an exhibition of landscape paintings by American artist [#TulaTelfair](#), each painting delves deeply into the depths of Telfair's memory, recalling her upbringing as the child of scientists in West Africa. In her practice, Telfair has often imagined a place she may have visited, or that may not exist, exploring the inner reaches of her dreams. The lush warmth of sub-tropical rivers, the majestic power of snow-capped mountains, the peaceful
